What is Online Shopping?

Online Shopping is a way of buying things directly from the seller on the internet without going to the shops
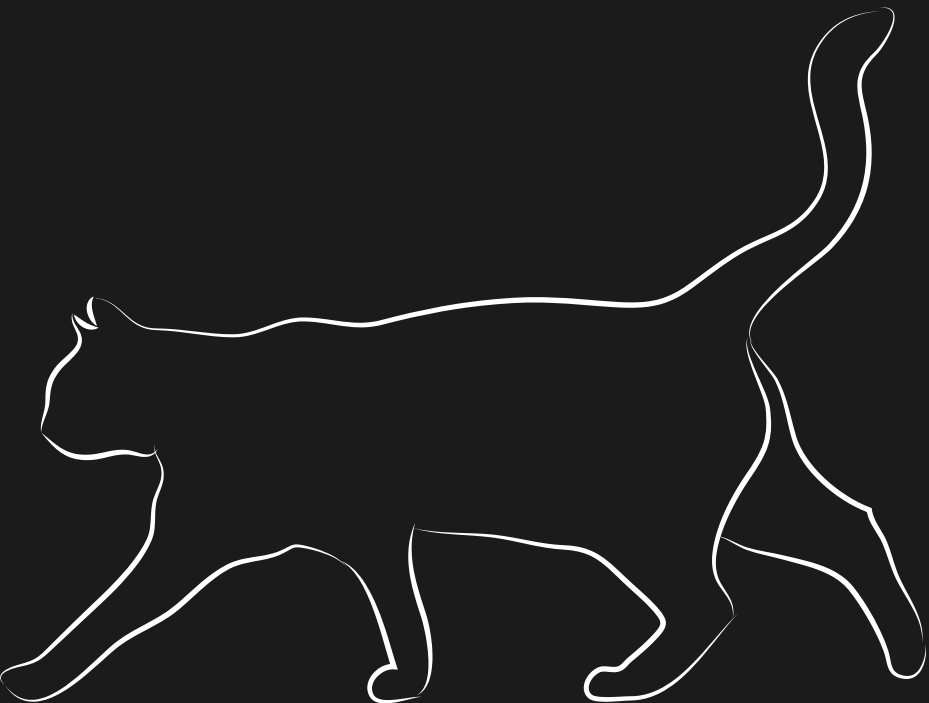

Advantages of Online Shopping

- You don't have to go to the shopping mall

- You have more time to think what to buy

- You can have discounts from coupons they give
- You can buy things from all over the World

- You can buy stuff wherever you are
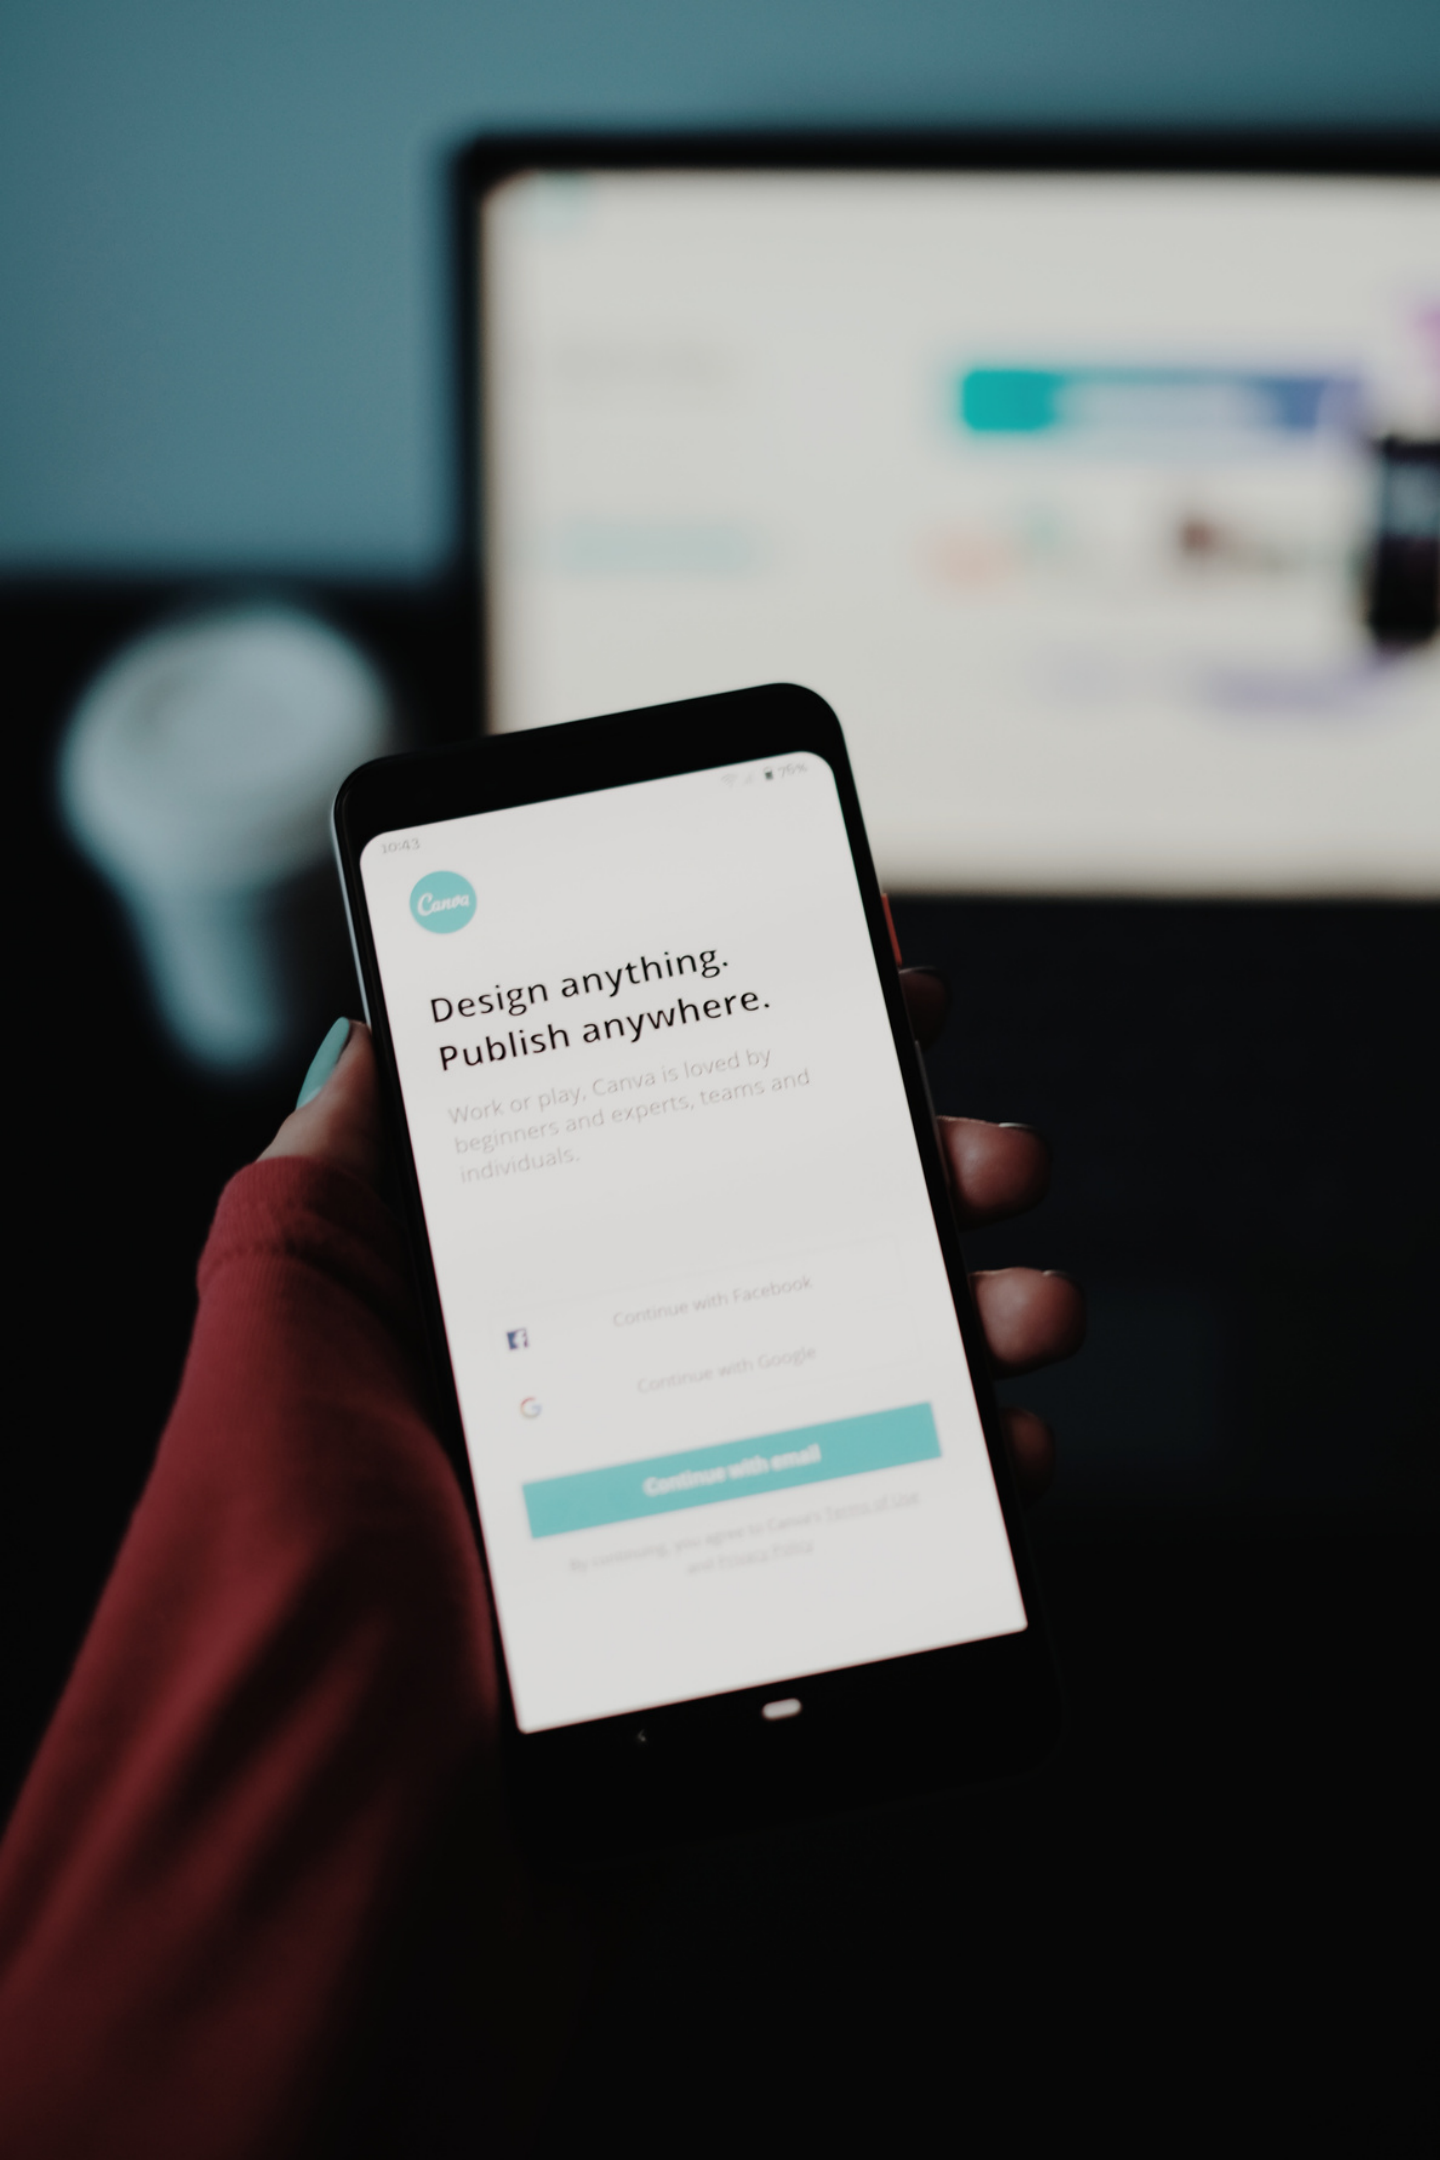

- You can track your order

Disadvantages of Online Shopping

- Shipping problems can cause delay

- The product can be broken/damaged/used

- You can receive the wrong item

- Returns can be complicated

Thanks for your attention!
